Experienced trip leaders Helen Newcombe and Pat Weathers have planned a true fun trip to Vail Mountain, and combined it with condo to match, the Landmark Tower! Join us on this spectacular journey and enjoy the great skiing.

Vail boasts three distinct areas of the mountain, each with their own features and fortes, including three terrain parks, seven bowls and 5,289 acres of free ride terrain. At seven miles wide, finding fresh tracks is as easy as finding elbow room. In fact, on an average day, there are only two skiers per acre, and on a busy day, only four!

Landmark Tower Condominiums is one of Vail, Colorado's great condominium hotels. Nestled in Lionshead Village, it is located just 150 yards from the Vail Eagle-Bahn Gondola and children's ski school, making it an ideal choice for your family vacation in Vail.

Each of the Landmark Tower condos has partial mountain views of Vail Mountain. Along with the beautiful Colorado view, every condominium comes equipped with a full kitchen, including microwave oven, cable TV, VCR., as well as, high-speed internet access, and gas fireplace. On-site amenities include an outdoor heated pool, two hot tubs, and morning coffee in the lobby.

Guests of Landmark Tower Condominiums will also enjoy the convenient location of this condominium hotel. You can stroll to a variety of shops and restaurants in beautiful Lionshead Village, or catch the free in-town shuttle to Vail Village for even more shopping and dining pleasures.

The only thing remaining is to have YOU on our trip! Join the fun-loving group of skiers already signed up for this trip. Whether you ski or just enjoy the ambience, shopping and sightseeing, you will surely have a great vacation. Lots of social events are included to keep your after-ski time filled with fun and activities.
