Lou Sclafani and Pat Weathers take you to Whitefish, Montana and one of the best FSC trips you might ever experience. Never heard of Whitefish? Perhaps you have heard of Big Mountain? The ski resort changed their name a few seasons back to Whitefish Mountain Resort. Located on Big Mountain near the town of Whitefish, it is located just west of Glacier National Park in beautifully scenic Northwest Montana.

We will be staying at the Kandahar Lodge which is a ski-in property on the resort only five miles from Whitefish, Montana. This intimate European-style lodge offers an elegant lobby, 50 luxurious hotel rooms and suites and a gourmet restaurant with an extensive wine list. Amenities include a daily continental breakfast, outdoor hot tub, steam room, exercise room, massage services, heated boot room, ski storage and free wireless internet.

At the beginning of the ski day, you can choose a short walk (across the parking lot) then ski down to Chair 6; or they will take you to the village core in one of their vans. At the end of your ski day, simply ski down Hailey's Run to the hotel. While the resort is very easy to walk around, they offer van transfers to and from the village if you prefer.

We have air scheduled from Tampa to Glacier Park International Airport which is only about 40 minutes from the resort base. While staying at these conveniently located condos, you will find yourself only minutes away from many fine restaurants, nightlife, shopping and activities in Whitefish. The entrance to Glacier National Park is about an hour away.

Price for lift tickets is only \$220 for a 5 day adult ticket. There are complimentary Mountain Tours daily that meet at 10:30am and 1:30pm at the top or bottom of Chair One.

This is an FSC trip so there are planned FSC activities such as a NASTAR race, après ski, welcome party and dinner, crazy hat and boxer shorts day, mountain lunch, theme party, awards dinner and more.
