Join the Snow Sharks as they take a trip to the Canyons in Park City Utah, January 15-22, 2012. This time frame includes the opening three days of the acclaimed Sundance Film Festival. When we were here in 2006 we met/ran into numerous celebrities. Imagine who you might run into this year! We are staying ski/in ski/out at the Canyons. The area is home to 3 of the top 15 ski resorts in North America. Park City Mountain Resort and Deer Valley are only a free shuttle ride and minutes away. Home to the 2002 Olympics you can ski some of the same slopes made famous during the Olympiad. In fact, Utah Olympic Park is right next door to Canyons and from here you can relive those special moments in history.

We have reserved a number of two bedroom condos at the **Westgate Park City Resort and Spa**. These two bedroom condos are actually lockout units, meaning they are made up of a One Bedroom Grand (the big side) and a One Bedroom Standard (the small side).

All bedrooms are equipped with king size beds. Both units can sleep two extra people on a Queen size pull out couch in the living room. Pricing for these extra persons are shown below. If you are interested in a two bedroom unit simply combine a One Bedroom Grand and a One Bedroom Standard.

Situated at the base of the Canyons Ski Resort just steps from the lifts, Westgate is a 5 star luxury ski lodging property. Westgate offers an indoor pool, an outdoor pool and an indoor outdoor pool. Hot tub, full kitchens, luxurious full service spa, private shuttle throughout the Park City area, complimentary lockers, ski valet service, fine dining and several shops in the Canyons village. Downtown Park City and Deer Valley are only minutes away on the resorts free private shuttle.

The resort is only a short 35 minute drive from the Salt Lake City airport. No long bus rides on this trip. Be sure to check out HGTV.com. This years dream home is located just outside of Park City on the Provo River. You can swing by and check out your new digs before you win the contest©
