Join us in the history, luxury and beauty of Sun Valley. The resort started as a playground for European nobility and Hollywood stars in 1936. The chairlift was invented here. You will find 'roughing it in style' along with laid back comfort and bright sunny days 80% of the time with comfortable temps and long, wide open groomed runs providing awesome scenery creating the appeal of Sun Valley. Prestige, yes, but expect a low-key atmosphere with the highest standards of service and comfort. Sun Valley offers over 70 runs, a 3400 ft. vertical drop and more uphill capacity per skier than any other ski area. Lifts wait for you....no flats, no plateaus and two mountains....Bald Mountain and Dollar Mountain.

We are offering 3 choices of lodging: 1) The world famous Lodge, 2) Deluxe apartment 2BR-2Bath condo's 3) Beautiful standard 2BR-2Bath condos. (See www.sunvalley.com). The Lodge, recently remodeled, boasts upscale accommodations and fine dining. Rooms come equipped with King or 2 double beds, marble bathrooms, flat screen TV/DVR and wi-fi. The deluxe apartment condos, directly across the road from the Lodge, are well appointed with lots of wood and granite. The standard condos form a horseshoe around the village and are within a 10 min. walk to the Lodge. All condos are fully equipped with kitchens and spacious living areas. An excellent free shuttle service is available for easy access to the slopes as well as the town of Ketchum, 1 mile away. The resort, the mountains and the town provide over 50 restaurants and bars, any kind of shopping that you can think of; pool, sauna, game room, salon, massage center, bowling, ice skating, tubing, and cross country on miles of groomed trails. Fireplaces galore to kick off your boots and enjoy après libation as well as one of the largest outdoor hot tubs in the world.

We will fly into Boise and then take a charter bus ride to Sun Valley. Have your own transportation? This trip is available land only for a \$485 deduction from the prices shown. This is Special Theme Week which offers us a welcome wine and cheese reception, Nastar, and live entertainment shows. Comedians, live music and drink specials are available almost every night.

This is truly a skier's paradise. Mt. Baldy is home to the new Roundhouse Gondola and 66 varied runs stretching to the edges of the Sawtooth National Forest. Numerous areas on the mountain to ski include River Run, Seattle Ridge, The Bowls, Warm Springs and the Super Pipe. Dollar Mountain is the perfect place to reacquaint you with the thrill of downhill featuring 2 new hi speed quad lifts. We will offer lift ticket prices when purchased along with your reservation based on group rates. Senior rates are available. And now here's a great point you don't see at other resorts. Already bought your lift tickets but now you change your mind on how many days you want to ski? You can trade in the value of any day's lift ticket towards one of the other resort amenities, like the Spa! Who else offers such an option?
